

REMARKS/ARGUMENTS

This paper responds to the Office communication of October 6, 2008 in which the Examiner subjected claims 1 through 52 to a restriction requirement.

Restriction and Election of Claims

In the Office communication, three distinct species were identified:

- Group I, claims 1-20, 41-47, drawn to a content server;
- Group II, claims 21-40; drawn to a player; and
- Group III, claims 48-52, drawn to a digital accessory.

Applicant hereby elects Group II, claims 21-40, for further prosecution. Accordingly, claims 1-20 and 41-52 have been withdrawn. Applicant reserves the right to pursue claims directed toward alternative groups in a later application.

This application now stands in allowable form and reconsideration and allowance is respectfully requested.

This response is being submitted on or before November 6, 2008, making this a timely response. It is believed that no additional fees are due in connection with this filing. However, the Commissioner is authorized to charge any additional fees, including extension fees or other relief which may be required, or credit any overpayment and notify us of same, to Deposit Account No. 04-1420.

Respectfully submitted,
